

COSMOS Frameworks Trademark Strategy Overview

Trademark Declaration Purpose

This document serves as a public declaration that the COSMOS 4S Systems Framework (TM) and COSMOS 5R Leadership Framework (TM) are proprietary intellectual property created by Chhavi Jain, Director of Cosmos Consulting. They are unregistered trademarks (TM) and are protected through consistent public use, visual identity, and IP indexing.

Framework Names and Usage

- COSMOS 4S Systems Framework (TM): related to systems, structure, SOPs, and operational scale.
- COSMOS 5R Leadership Framework (TM): related to rhythm, review, and team ownership for scalable leadership.

These terms must be used with full names and (TM) marks on public content, blogs, lead magnets, and visuals.

Scope of Protection

The above frameworks are in active use on the Cosmos Consulting website, blog, and digital assets. They are not to be copied, reused, or repurposed without explicit permission from Cosmos Consulting.

Usage Rights

Permission-based use (e.g., licensing, citation, affiliate use) is available with written agreement.
